

INTERESTED IN PULMONARY ISSUES? Please join the meeting of the pulmonary section. It is open to anyone who is interested. It gives you inside in what is going on in the ESPR in pulmonology and gives you the possibility to ventilate ideas and influence future symposia, topics and speakers. You also meet colleagues (with interest) in the field and can discuss issues of education and (collaborative) research

Agenda Meeting **Pulmonary Section** of ESPR on Sunday Oct 16th, 2011 at 13.15-14.15 h (room: please see conference program)
